General Manager
Namrup Thermal Power Station
APGCL, Namrup

SECTION 1: INVITATION FOR BIDS

(A) INTRODUCTION and OBJECTIVE:

(i) Introduction:

Assam Power Generation Corporation Ltd. (APGCL) is a state GENCO operating in the state of Assam and with the vision of availability of reliable and quality power at competitive rates and on a sustainable basis.

APGCL has various gas based thermal power plants as well as hydro power plants. The gas based thermal power plants Namrup Thermal Power Station/ Namrup Replacement Power Project located in the District of Dibrugarh, Assam has combined installation capacity of 139.4 MW.

(ii) Objective of the Tender:

Namrup Replacement Power Plant (NRPP) is a gas-based power plant consisting of one Gas Turbine (GTG) and one Steam Turbine (STG) units with total installed capacity of 98.4MW. The STG unit with installed capacity of 36.15 MW is connected with the GTG unit. The NRPP was commissioned on 16.07.2021. The performance of the Steam turbine is directly proportional to the performance of the condenser. Now the performance of the condenser is gradually decreasing. So, NRPP, APGCL intends to carry out the cleaning of condenser of the STG as no cleaning of surface of the condenser tubes was done since its installation.

The objective of this tender is to finalized a bidder through tender for inspection, testing, cleaning and recommissioning of the said condenser.

(B) Intent of Tender:

The intent of this tender document is to furnish the work scope for execution of inspection, testing, cleaning and recommissioning of the condenser of the STG unit of Namrup Replacement Power Plant as well as provide techno-commercial specification of requirements to be furnished and fulfilled by the bidders participating in the tender.

(C) Eligibility of Bidder:

The bidder must fulfill the following criteria to participate in the Tender.

1. The bidder must have past experience of successfully executing of condenser cleaning in any reputed thermal power plant having unit size not less than 30MW by high pressure hydro jetting during past 5 years counted from the date of floating this E-Tender either having the following work order value.
 - i. The contractor executed one similar work not less than 5.0 lakhs, or
 - ii. The contractor executed two similar works each execution value not less than 3.10 lakhs, or
 - iii. The contractor executed three similar works each execution value

not less than 2.50 lakhs

2. The bidder must have an average annual turnover of at least Rs.3,00,000/- (Rupees three lakh) only during the last 03(three) financial year, FY 2021-22, 2022-23 and 2023-24
 - In this regard, a certified copy from the Chartered accountant should be submitted by the bidder along with their technical bid.
3. The bidder should have valid GST registration certificate & Pan Card.
4. Copy of income tax return (ITR) of the last 03 (three) Financial Year (i.e., FY 2021-22, 2022-23 and 2023-24 of the bidders.
5. The bidder should have valid labour license.

(D) SCOPE OF WORK:

The scope of work of the successful bidder shall be as follows –

1. Pre shut down activity:

The successful bidder shall have to complete all official formalities as per bid document before taking machine shut down.

- a. The contractor shall arrange high pressure (as mentioned below) hydro jetting equipment of either electrical or engine driven whose discharge pressure adequate for the cleaning work with adequate manpower.
- b. Recording of running parameters of surface condenser.

2. Shut down activity

- a. Opening of condenser manhole cover.
- b. Physical inspection of water tubes & shell side for any leakage etc.
- c. Carry out condenser cleaning in the following sequence: -
 - i. Hydro-jetting to remove all loose scale.
 - ii. Cleaning of water boxes.
 - iii. Closing of condenser manhole cover.
 - iv. **Leak test of condenser:** In case of detection of tube(s) leakage after completion of condenser cleaning, plugging of the said tube(s) shall be under the scope of this contract.
 - v. Hydro jetting of condenser tubes shall be carried out through manhole only.

3. Post Shutdown Activity:

- a. Recording/joint monitoring of operating parameters such as inlet & outlet water pressure of surface condenser and water differential temperature at optimum operating condition, differential pressure and hot well temperature etc.
- b. Preparation of a joint report of "Work completion and operating parameters with APGCL".

4. The scope of the owner:

- a. Supply of clean water at normal pressure. Bidder to furnish water requirement prior to manpower mobilization.
- b. 415 V AC, 3 phase electrical power supply to work place.
- c. Service air at 100 psi if necessary.
- d. Illumination during the work if necessary.
- e. Accommodation may be provided on fully chargeable basis.

(E) Technical specification:**CONDENSER SPECIFICATION (NRPP):**

DESIGN CODE: HEI / BHEL		
Description	Shell Side	Tube Side

- f. Income tax return (ITR) of the last 03 (three) Financial Year (i.e., FY 2021-22, 2022-23 and 2023-24 of the bidders.
- g. **Signed & Sealed Confirmation from Bidder stating that they had quoted as per this tender clause (D) (Scope of Work)/BoQ1. No Part Offer is accepted.**
- h. **Payment proof of EMD.**
- i. **All Bidding forms (B1, B2, B3 & B4), duly filled up as per the instructions provided therein.**
- j. **All other documents as sought in this Tender.**
- j. **Any other document as deemed necessary as per this tender of APGCL.**

10. Tender processing fees and earnest money deposit: Tender processing fee (non- refundable) of Rs.590/- (Rupees five hundred and ninety only) shall be collected online from the bidder during bid submission at <https://assamtenders.gov.in>.

EMD: The bidder must deposit the EMD (Earnest money deposit) of 2% of quoted price shall be deposited online during bid submission at <https://assamtenders.gov.in>

No interest shall be payable on such deposit.

11. Refund of EMD: Earnest money deposited will be refunded to all except the successful bidder without any interest after awarding the work to the successful bidder. The EMD of the successful bidder shall be refunded without any interest after submission of Performance Security deposit.

12. Forfeiture of EMD: EMD will be forfeited if the bidder withdraws or amends or deviates from the tender in any respect within the period of validity of the tender.

13. Owners right to accept or reject a bid: NTPS, APGCL, reserves the right to accept a bid other than the lowest and to accept or reject any bid in whole or part, or to reject all bids with or without notice or reasons. Such decisions by NTPS, APGCL shall bear no liability whatsoever consequence upon such decisions on contractors.

14. Precaution to be taken during execution of work:

The contractor shall take reasonable and statutory precaution during execution of the work at work site so as to avoid accident and damage to equipment and injury to workman.

15. Liability for Accident and Damage:

The Contractor shall not claim for compensation arising out of any accident(s) or damages done during the course of work site & the Contractor will be

responsible for paying compensation to the worker as per Workman Compensation Act, 1923 and subsequent amendments thereof.

16. Award of Contract:

The responsive bidder shall be issued whose financial bid is the lowest (L1), subject to satisfactory fulfillment of all terms and conditions. Bidder shall confirm acceptance of the LOI/Work order. In case the bidder does not respond within 5 days, it will be presumed that the bidder has accepted the work order.

17. Force Majeure: Normally, force majeure shall cover only act of God, fire, war, riots and act of Government etc. Any constraints other than those specified above will not constitute a force majeure condition. In view of other constraints beyond the control of the Contractor, primarily due to statutory compulsion, extension of delivery time may also be considered on merit of individual case. In case of a force majeure condition, the Contractor shall notify APGCL in writing such condition within 10 (ten) days from the beginning of such delay for consideration and acceptance.

18. Arbitration Clause: All disputes or differences whatever so arising between the parties out of or relating to the Order/Contract shall be settled by arbitration. The venue of arbitration shall be Guwahati High Court.

19. Legal Jurisdiction:

Any disputes or differences arising under, out of, or in connection with this work/contract, shall be subject to the exclusive jurisdiction of courts at Guwahati only.

20. Others: Any other terms & conditions not covered above, shall be governed by "General Conditions for Supply & Erection, 2014 of APGCL". The same may be obtained from <http://www.apgcl.org>

(H) General Instruction to the Bidder:

1. The tender document can be downloaded from <https://assamtenders.gov.in>. Tender Processing Fee and EMD shall be submitted online only during bid submission at <https://assamtenders.gov.in>. Tendering shall be done in online mode only at <https://assamtenders.gov.in> and Technical and Price bids must also be submitted online at <https://assamtenders.gov.in>.

2. The bid shall be completed in two bid system as stated below.

a) Technical and un-priced Commercial part: Technical Bid:

This part shall contain technical and commercial (Un-priced part) bid including the following mentioned documents that has to be uploaded on <https://assamtenders.gov.in>.

- Signed & Sealed copy of duly filled up Proforma (Annexure-I).
- All bidding forms attached with these documents.
- Technical and Commercial part (un price) of bidder's Offer.
- All requisite documents as per the Clauses of the tender document.

- Any other relevant document as required/requested for this tender.
